

High-Firm Foam

Grade reference: SF38 | High-Density Polyether Polyurethane Foam — Firm

PRODUCT DESCRIPTION

A flexible polyether polyurethane foam supplied in blue. The UK trade default for quality seating cushions, offering a balance of high density, firmness and long service life. The material is manufactured to meet the requirements of Schedule 1, Part 1 of the Furniture and Furnishings (Fire) (Safety) Regulations 1988 (as amended), and offers consistent density, hardness and recovery characteristics across the supplied range.

FIRE PERFORMANCE	Meets Schedule 1, Part 1 of the Furniture and Furnishings (Fire) (Safety) Regulations 1988 (as amended). Suitable for use in furniture and furnishings manufactured for sale within the United Kingdom.
